## BOOK SYNOPSIS

In *Boys Should Be Boys*, critically acclaimed author Dr. Meg Meeker helps parents restore the delights of boyhood and enable today's boys to become the mature, confident, and thoughtful men of tomorrow. Boys will always be boys—rambunctious, adventurous, and curious, climbing trees, building forts, playing tackle football, all part of the rite of passage into manhood. Meeker explores the secrets to boyhood to create an uplifting guide to make raising sons a little easier.
