BOOK SYNOPSIS

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearsons MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearsons MyLab & Mastering products. Packages Access codes for Pearsons MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- The Fundamentals Text That Emphasizes Music Making This music fundamentals textbook is for both aspiring music majors and non-majors. Based on an anthology of works from music literature, it features clear, concise explanations, extensive written exercises, and a variety of suggested in-class activities. It emphasizes process of making music--emphasizing, at every stage, that music is to be heard and made--not merely seen and learned in the abstract. All of the key topics are covered: music notation; rhythm; scales; intervals; triads; basic harmonic progressions. Several supplements are available for this text. An Audio CD ISBN 0131584197 / 9780131584198 is available including performances of key works analyzed in the text. The examples are also available in Finale files on MySearchLab so that students can directly work on exercises on their computers. Teaching and Learning Experience Personalize Learning - MySearchLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking- Written exercises and assignments both in traditional written and electronic formats reinforce concepts. Engage Students- In-class activities, including singing, dictation, and keyboard exercises are designed to supplement and reinforce the theory lessons.
